

COVERT COCKTAILS

INTERNATIONAL SPY MUSEUM

THURSDAY
JULY 18, 2024
7:00-9:00 PM

700 L'ENFANT PLAZA, SW
WASHINGTON DC 20024

The International Spy Museum invites you to join us for this not-so-clandestine affair after hours in the Museum for a cocktail mixer with real spies! This event includes private, after-hours access to our exhibits, an exclusive, insider's look at artifacts from the SPY vault, and a chance to meet some of the most interesting people who ever stepped out of the shadows! Our spies will include former agents from the CIA, FBI, US military, and other members of the intelligence community. Attendees will enjoy special "one-night-only" activities, be able to ask the questions they've been dying to know about spy life, and talk to SPY staff about how the Museum collects its intriguing artifacts. While enjoying delicious drinks and food, a fun, digital dossier will help you spot our "elusive" experts as they mingle in the galleries.

The International Spy Museum (SPY) is the world's only independent nonprofit museum dedicated to exploring the history and craft of espionage and intelligence.

We rely on the generosity of donors and sponsors to support our work.

Engage nearly **8,000 students** through workshops, hospital programs, and neurodiverse programming and partnerships with community organizations.

Host **40 adult educational programs**, including our signature program Spy Chat hosted by our Executive Director Chris Costa, engaging more than **6,500 adult learners**.

Present temporary exhibits like **Bond In Motion**, featuring 17 vehicles from the James Bond films and **reimagined exhibits** like the recently updated George Washington exhibit that examines the Culper Spy Ring.

Tell **real spy stories** that shed light on the shadow world of espionage and intelligence, **educating and challenging** each of us to **engage critically** with the complex world around us.

JOIN US FOR COVERT COCKTAILS & SUPPORT SPY

Secure your sponsorship at this unique event and help SPY continue to serve our community with compelling exhibitions and innovative programs that challenge each of us to think critically about today's complex world.
