Below are some guiding questions to help you engage with the film, make connections, and dig deeper into the topic. Start by **THINK**ing critically as you watch, **REFLECT** on key ideas afterward, and explore further through **RESEARCH** and related resources.

As you watch, THINK...

- What is "INT" short for?
- What does MASINT track?

After you watch, REFLECT...

- What are the pros and cons of using technology to gather secret information vs. using a human?
- What types of OSINT (Open Source Intelligence) might be used by intelligence agencies today?

After you watch, RESEARCH...

- How was IMINT used during the Cuban Missile Crisis?
- Can you find a historical example of where SIGINT, MASINT or OSINT was used to gather secret information? If so, how?
